SIGNIFICANT ACCOUNTING POLICIES AND NOTES TO THE FINANCIAL STATEMENTS

1. Significant Accounting Policies

1.1 General

These financial statements are prepared in accordance with Indian Generally Accepted Accounting Principles (GAAP) under the historical cost convention on accrual basis and comply in all material aspects with the accounting standards notified under Companies(Accounting Standards) Rules, 2006 and the relevant provisions of the Companies Act, 1956.

1.2 Use of Estimates

The preparation of the financial statements in conformity with Indian GAAP requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known / materialise.

1.3 Provisions ,contingent liabilities and Contingents Assets

A provision is recognized when the company has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on best estimate to settle the obligation at the balance sheet date. These provisions are reviewed at each balance sheet date and adjusted to affect the current best estimates. Contingent liabilities are not recognized but are disclosed in the notes. Contingent Assets are neither recognized nor disclosed in the financial statements.

1.4 Fixed Assets

Tangible Fixed Assets

Tangible Fixed Assets are stated at cost of acquisition as reduced by accumulated depreciation and impairment losses, if any. Acquisition cost comprises of the purchase price and attributable cost incurred for bringing the asset to its working condition for its intended use.

Intangible Fixed Assets

Intangible Fixed Assets are carried at cost less accumulated amortisation and impairment losses, if any. The Cost of intangible assets comprises of cost of purchase, production cost and any attributable expenditure on making the asset ready for its intended use.

Capital Work in Progress

Capital work in progress are assets that are not yet ready for their intended use which comprises cost of purchase, production cost and related attributable expenditures.

1.5 Depreciation/Amortisation

Tangible Fixed Assets

Depreciation on decoders is provided 100% in the year of purchase or in the years when the Company starts commercial operations of respective channel, whichever is later.

MPCR BROADCASTING SERVICE PVT. LTD.

SIGNIFICANT ACCOUNTING POLICIES AND NOTES TO THE FINANCIAL STATEMENTS

Intangible Fixed Assets

Business and Commercial Rights are amortized 20% in the year of purchase/production or in the year in which Company starts commercial operations of respective channel, whichever is later and remaining 80% are amortized in subsequent four years on a straight line basis.

Channel Development cost is amortized on straight line basis over a period of ten years on time proportionate basis.

Softwares are amortized on straight line basis over a period of 3 years on time proportionate basis.

1.6 Borrowing Cost

Borrowing costs directly attributable to development of qualifying asset are capitalized till the date qualifying asset is ready for put to use for its intended purpose . Other Borrowing costs are recognized as expense and charged to profit & loss account.

1.7 Revenue Recognition

Revenue from advertisements (net of agency commission) is recognised on telecast basis and revenue from sale of program/content rights is recognised when the relevant program/content is delivered.

1.8 Taxes on Income

Current Tax provision is made based on the tax liability computed after considering tax allowances and exemptions at the balance sheet date as per Income Tax Act, 1961.

Deferred tax reflects the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years. Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the balance sheet date.

Deferred tax asset is recognized only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. Deferred tax assets are recognized on carry forward of unabsorbed depreciation and tax losses only if there is virtual certainty that such deferred tax assets can be realized against future taxable profits.

The carrying amount of Deferred Tax Assets are reviewed at each balance sheet date and written down or written up, to reflect the amount that is reasonably or virtually certain, as the case may be, to be realized.

1.9 Preliminary & Pre-Operative Expenses

Preliminary expenses are written off fully in the year in which Company starts its commercial operations and Pre-operative expenses are written off fully in the year in which respective channel starts its commercial operations.

1.10 Earning Per Share

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. Dilutive earning per shares is computed and disclosed using the weighted average number of equity and dilutive equity equivalent shares outstanding during the year, if any, except when the result would be anti-dilutive.
